

2024

MMXXIV

Wayne State University School of Medicine has prepared students to be health care leaders and advocates who go on to change the world since 1868.

Our dedication to urban clinical excellence and contribution to Detroit's revitalization is unwavering. Our community service roots run deep, and our focus on a healthier world grows ever stronger.

 University holidays marked with dotted box on calendar face

**On April 8, 2024, a rare total solar eclipse will sweep across North America, casting a shadow over Mexico, the United States, and Canada. During this mesmerizing event, a 98.9% partial solar eclipse will be visible in Detroit, MI, during which the Moon will gracefully block almost the entire Sun. It is never safe to look at the sun without solar filters - safety precautions, such as using ISO 12312-2:2015 certified solar viewing glasses, are essential to prevent severe/permanent eye injury. The next total solar eclipse in the contiguous United States is expected on Aug. 23, 2044. Below is the partial solar eclipse schedule for Detroit, MI, in local time (EDT) on Monday, April 8, 2024.

- 1:58:22 p.m. - Partial Eclipse begins, the Moon touches the Sun's edge.
- 3:14:21 p.m. - Maximum Eclipse, Moon is closest to the center of the Sun, 98.9% totality in Detroit, MI
- 4:27:39 p.m. - Partial Eclipse ends, the Moon leaves the Sun's edge.

MOON PHASES*

- New
 - Full
 - ◐ 1st quarter
 - ◑ 3rd quarter
 - 🌑 Total solar eclipse**
- *Phases of the moon are calculated using local time in Detroit.

TIME CHANGE

-  Eastern time zone

SEASON CHANGE

-  Spring equinox
-  Summer solstice
-  Autumn equinox
-  Winter solstice

The department of Medical Communications is an in-house full-service studio and can help you with concept, design and final production. We specialize in visual communication that supports medical education at the Wayne State University School of Medicine (WSU SOM) and our educational health sciences partners. Our key areas of support are:

Design and illustration

In-house printing and art production

Photography

Motion design and supporting video

Templates and other resources
